

Our Mission:

The City of Waukegan Chamber of Commerce mission is threefold: to promote business growth in

Waukegan, to serve members with personal and professional development opportunities, and to affect public policy decisions to the benefit of the Waukegan business community.

In addition to the opportunities and benefits available to member businesses, the City of Waukegan Chamber of Commerce also facilitates action on issues of larger concern to both businesses and citizens of the area. Committees are formed within the Chamber when someone conceives an idea or expresses a concern, which affects the membership or the community at large.

The City of Waukegan Chamber of Commerce is not a building, not an individual, but a group of concerned business people working together! When you join the City of Waukegan Chamber of Commerce, you become a part of a growing number of businesses who recognize the power of many is greater than the power of one.

Who we are:

Chamber members are as diverse as the city itself; they represent businesses of all sizes and industries. Together, we're shaping Waukegan's dynamic business environment and making the city an exceptional place to live and work. Join us and make your own connection in Waukegan and in the business world.

The City of Waukegan Chamber of Commerce is governed by a Board of Directors, that meet monthly and its Executive Committee, which is composed of the chairman, vice, chairman, secretary, treasurer and selected board officers.

In addition, the CW-CC boasts a full-time executive director who helps guide various committees and administers the daily operation of the chamber's affairs.
